## CONSTITUTION

---

### I

#### TITLE

This incorporation shall be known as the NATIONAL SCULPTURE SOCIETY.

### II

#### OBJECT

The object of the Society is to spread the knowledge of good sculpture, foster the taste for, and encourage the production of, ideal sculpture for the household and museums, promote the decoration of public and other buildings,

squares and parks with sculpture of a high class; improve the quality of the sculptor's art as applied to industries, and provide from time to time for exhibitions of sculpture and objects of industrial art in which sculpture enters.

### III

#### MEMBERS

There shall be two classes of members — sculptors and non-sculptors. No sculptor is eligible as a non-sculptor, or as a sculptor unless of approved merit as such. Subject to the foregoing, any person who is in sympathy with the objects of this Society is eligible to membership.

## IV

### GOVERNMENT

SECTION 1. The government of the Society is vested in eighteen directors to be termed the Council. These are divided into three classes of six each; the full term of office of each director is three years; and the term of office of the several classes ends in successive years. At the annual meeting, six trustees replacing the outgoing classes shall then be elected by ballot. Vacancies in the other classes shall then be filled in the same way. The Council may fill vacancies occurring in its body until the annual meeting next thereafter. The allotment of the members of the first Council to the

several classes and terms respectively, shall be by ballot, and as promptly as may be at or after their first meeting for organization.

SEC. 2. The class of directors elected at each annual meeting shall include at least two sculptors and one architect, who shall be designated as such upon the ballots. The sculptors and architects balloted for who shall receive the highest number of votes as sculptor or architect members of the Council respectively shall be thereby elected as such members to the extent necessary to complete the number of such members prescribed for the class then elected. Vacancies occurring in any class shall be filled by the selection of sculptors or architects as the case may be, so far as neces-

sary to keep complete the number of sculptor or architect members prescribed for such class.

SEC. 3. The officers of this Society shall be a President, two Vice-Presidents, a Treasurer and a Secretary, to be elected by ballot at a general meeting of the Society

The term of office of the President and of the Vice-Presidents of this Society shall be limited to not more than two successive terms, unless an interval of at least one year shall have intervened.

SEC. 4. The President of the Society shall always be a sculptor, and one of the Vice-Presidents an architect.

SEC. 5. The Council may consider as vacant, and fill pro tempore the place of any of its number who shall have been absent from three successive meetings.

## V

### OFFICERS

SECTION 1. The President shall preside at the meetings of the Society and of the Council, and give the casting vote in case of a tie. He shall, with the Secretary, sign all written contracts and obligations of the Society, and be, *ex-officio*, a member of all standing committees, except the jury of selection and the placing committee.

SEC. 2. In the absence of the President, one of the Vice-Presidents to be designated by the

Council—unless both are absent, and in such case any other member designated by the Council—shall preside at the meetings of the Society and of the Council, and in case of disability of the President shall perform the other duties of the President.

SEC. 3. The Secretary shall keep a true record of all meetings of the Society and of the Council; shall keep a correct roll of the members of the Society; shall notify each member of his election and furnish him with a copy of this constitution; shall issue notices of all meetings of the Society and of the Council; shall conduct the correspondence of the Society, and with the President, sign all written contracts and obligations of the Society.

SEC. 4. The Treasurer shall receive and, under the direction of the Council, disburse the funds of the Society. He shall report at every annual meeting, and oftener if required by the Council, on the state of the funds. His accounts shall be audited by a committee of three, as provided in Article VI, Section 2.

SEC. 5. Officers of the Society, members of the Council, and members of the committees, shall hold over in office until their successors shall respectively have been duly chosen.

## VI
